INTRODUCTION

UNIQUE OPPORTUNITY FOR PLAB EXAM ASPRANT

ISM EDUTECH is proud to announce their association with BAPIO Training Academy and PLAB Master to Introduce PLAB Training

ISM EduTech in collaboration with BAPIO Training Academy (BTA) presents, comprehensive online PLAB (The Professional and Linguistic Assessment Board Exam) Training Program to gain the eligibility status to practice medicine in the UK. The exam tests your ability to apply your knowledge for the care of patients. It doesn't test how well you can remember and recite facts. Questions relate to current best practice in the UK, and equipment routinely available in UK hospitals.

” When you study abroad every phase is a learning experience.

ISM EduTech was created in 2010 with the goal of scaling up excellent healthcare services and attaining greater heights in the future. ISM EduTech is the leading company providing international medical education services. ISM EduTech has come a long way in the last 12 years and has made a significant contribution. Begun with a few students, this company has sent over 12,000 students to the world's greatest medical universities in Tajikistan, Kyrgyzstan, Kazakhstan, Georgia, and Barbados.

ISM EDUTECH (ENGLAND)

ISM EDUTECH, ENGLAND, UK has been established as an extension with the sole purpose of realising the vision of its parent company headquartered in India to strive for excellence in taught medical education for its students as well as curation of international opportunities for medical graduates associated with the brand.

FOUNDER PRESIDENT

Since the inception, **ISM EDUTECH** has consistently been working towards upgrading the quality of Medical Education provided at its affiliated Medical Training Institutes. We strongly believe that **BAPIO Training Academy – ISM Partnership** will benefit our students/alumni to achieve internationally recognised post graduate qualification (MBA Degree) and license to practise as a medical practitioner at one of the best healthcare systems in the world through PLAB coaching.

BAPIO Training Academy

British Association of Physicians of Indian Origin (BAPIO) is a national voluntary organisation established in 1996 with a commitment to the principle of providing high quality patient care through the National Health Service (NHS). BAPIO actively promotes the principles of diversity and equality with the aim of **“Empowering doctors and dentists to be beacons of leadership and professional excellence.”**

BAPIO Training Academy (BTA) is one of the important pillars of BAPIO strategy to promote professional and clinical excellence. It was launched in 2015 by the chief executive of the NHS, Mr Simon Stevens.

Welcome Message From

BAPIO Training Academy (BTA) is fulfilling dreams and aspirations of Indian post graduate doctors through the Fast Track Program. British Association of Physicians of Indian Origin (BTA) is a national voluntary organisation established in 1996, with a commitment to the principle of providing high quality patient care through the National Health Service (NHS). Since its conception, with the initial aim of supporting international medical graduates, BAPIO Training Academy has grown in stature and influence to become one of the largest organisations of its type in the country. Our vision is to train healthcare professionals to become clinicians and leaders to help deliver equitable and cost-effective care for global sustainability of healthcare systems.

Prof. Parag Singhal

About Program Director

Dr. Mahadeo Bhide is well known in UK as the pioneer of starting systematic PLAB training 25 years ago. He has now restarted his programme along with BAPIO Training Academy.

Program Details

Duration of the program - 6 months

- Comprehensive training of PLAB exam part 1, part 2 after successfully clearing part 1 PLAB and face-to-face training on arrival to UK before Objective Structured Clinical Examination(OSCE) exam

Typical attendee

- Those who have finished their MBBS and doing their internship

Format and modalities of teaching

- Live “Zoom” classes for up to 50 students at a time.
- Access to previously recorded classes and summary lecture on logging in.
- Online question bank solving.
- Periodic mock tests.

Typical teaching sessions

- 5 hours over Saturday and Sunday. Typically, between 11:00 am to 3:00 pm (UK time).
- Lecturers – ranging from consultants working in the UK, senior residents and expert resident doctors who are validated for the topic they would be teaching
- Focus of the teaching will be part 1 exam so extended match questions will be the primary inclusion. Some parts of OSCE orientation will be given in line with the EMQ solving.
- The lecture pattern will be based primarily on EMQ solving and less on didactic teaching.

Evaluation of the students

- Through class interactions – and online tests as a part of the class
- Mock tests given every fortnight
